I currently study at the University of Texas at Austin and am pursuing a Biology degree with a minor in Business. I am on the pre-medical track. I am a part of the Phi Delta Theta Fraternity at UT Austin and have helped give back to my community in events such as the ALS walk and the Boys and Girls Club, which strives to help special-needs children. I hope to continue to Medical School and specialize in Pediatrics.

Authorized to work in the US for any employer

## Work Experience

---

### **Teaching Assistant (TA)**

The University of Texas at Austin

January 2020 to May 2020

Helped teach introductory physics in a lab based learning environment to allow students to make real-life connections with theoretical topics. Helped students after hours with content comprehension while being flexible in both hours and teaching styles.

### **Host/Cashier**

Plucker's Wing Bar - Austin, TX

January 2019 to August 2019

Works in a fast-paced environment to help serve guests food in a timely fashion. Helps other team members to help the restaurant run smoothly. As a Cashier, I am a more experienced host and I help the other hosts at the front.

### **Dishwasher/Busser**

J2 Dining - Austin, TX

September 2017 to December 2017

Worked as a dishwasher and as a drink attendant in a team setting. Job responsibilities included operating a dishwashing machine in an assembly line type manner and performing basic maintenance including mopping, sanitizing, and refinishing floors, counters, and drink machines. Also interacted with diners at J2 and provided help when needed. Quickly became able to train new employees when needed.

### **Front Desk Clerk/Housekeeper**

Travelodge Inn & Suites - San Antonio, TX

June 2015 to August 2017

Worked in a family-owned hotel interacting with guests and providing exceptional customer service when working the front desk, and cleaned vacated rooms per company policy by operating commercial cleaning machines while working as a housekeeper.
